

SEPTEMBER

2018

## Plant Science POLICY

**Europe's GM legislation is 'outdated', US says after Court ruling on gene editing**

Euractiv | 9 Aug 2018

**EIC pilot to invest €34 million in 14 innovative projects to help them enter the market faster**

European Commission | 9 Aug 2018

**ERC 2019 Work Programme and expected changes to ERC Calls**

ERC | 3 Aug 2018

**JRC advances further harmonisation of GMO testing**

JRC | 3 Aug 2018

## Plant Science DISCOVERIES

**Leaf molecules as markers for mycorrhizal associations**

Science Daily | 28 Aug 2018

**Getting to the root of plant evolution**

Science Daily | 22 Aug 2018

**Highly effective natural plant-based food preservative discovered**

Science Daily | 16 Aug 2018

**Cancer-fighting drugs also help plants fight disease**

Science Daily | 14 Aug 2018

**Play-Doh helps plant research**

EurekAlert | 15 Aug 2018

## Plant Science MEMBERS

**John Innes Centre wins funding for grass pea project in Sub-Saharan Africa**

John Innes Centre | 29 Aug 2018

**Aalto University and VTT launch a major innovation ecosystem aimed at doubling the value of forest industry**

VTT | 27 Aug 2018

**Groundwork for playing with the architecture of plants**

Wageningen UR | 24 Aug 2018

**New perspectives to improve wheat: the reference sequence of wheat genome is finally a reality**

INRA | 20 Aug 2018

## Plant Science AGENDA

**FOOD 2030: Research and Innovation for a #ZeroHunger World**

Brussels, BE | Date: 16 Oct 2018

**The development of Plant Proteins in the European Union**

Vienna, AT | Date: 22 - 23 Nov 2018

**People's Food – People's Health. Towards healthy and sustainable European Food Systems**

Vienna, AT | Date: 22 - 23 Nov 2018

## Plant Science CAREERS

**Professorship in Plant-Microbe Interactions**

University of Basel, CH | Deadline: 15 Sep 2018

**Research Assistant in beneficial plant microbiota interaction at the DynaMo Center**

University of Copenhagen, DK | Deadline: 16 Sep 2018

**Postdoctoral position bioinformatics**

Bern, CH | Deadline: 30 Sep 2018

[SEE MORE](#)

**European Plant Science Organisation (EPSO)**

4 Rue de l'Industrie

1000 Brussels, BELGIUM

Tel: +32 2 213 62 60
